What if I need to park for several days?

If you need to park for several days, we recommend you purchase a Pre-paid SmartChip, which provides discounted parking rates and gives you unlimited in-and-out privileges at Texas Medical Center Parking Garages.

There are two options available:
\$52 Pre-paid SmartChip – a \$60 parking value
\$100 Pre-paid SmartChip – a \$115 parking value
 Both Pre-paid SmartChip options are activated upon your next visit after purchase.

What About Receipts?

Receipts are available at the pay station by pressing the "Receipt" button. They are also available at the exit when paying with a credit card.

*After paying for parking at a pay station, parkers have 10 or 20 minutes, depending on the size of the facility, to exit using the paid SmartChip. After this time has elapsed, further payment will be required.
