Tuberculosis Centers of Excellence for Training, Education, and Medical Consultation
and the National Tuberculosis Controllers Association

National Tuberculosis
Nurse Coalition

CONTINUING EDUCATION

Continuing education will not be awarded for participation in this online educational offering.

NO commercial support was given to Heartland National TB Center
or the University of Texas at Tyler Health Science Center for this
education program.

TARGET AUDIENCE

Healthcare professionals who care for persons diagnosed with tuberculosis (TB) infection or disease.

CONFERENCE GOAL

To provide healthcare professionals with the knowledge to recognize the delays of TB diagnosis due to COVID-19 and the probability that severe COVID-19 may be a risk for the reactivation of latent TB infection.

CONFERENCE OBJECTIVES

Recognize delays in diagnosis of TB due to COVID-19.
Discuss that individuals with severe COVID-19 and LTBI are at risk for progression to active TB disease.

FORMAT

Web-based, lecture-style presentation.

REGISTRATION

There is no charge to attend this workshop; however, pre-registration is mandatory.

Register online at:

[Training and Education - Heartland National TB Center \(heartlandntbc.org\)](https://www.heartlandntbc.org)

Applicants will receive a notification of their enrollment via e-mail, unless otherwise requested.

Deadline to register is
Wednesday, September 29, 2021

OUR VISION

The vision of Heartland National TB Center is to provide excellence, expertise, and innovation in training, medical consultation, and product development to reduce the impact of tuberculosis in our region.

OUR MISSION

The mission of the Heartland National TB Center is to build capacity with our partners. We will share expertise in the treatment and prevention of tuberculosis by: developing and implementing cutting-edge trainings, delivering expert medical consultation, providing technical assistance, and designing innovative educational and consultative products.
