Riverside County Department of Public Health

Diana Nilsen, MD
NYC Department of Health and Mental Hygiene

Tuesday, February 23, 2021

10:00 am – 11:30 am PST / 11:00 am – 12:30 pm MST / 12:00 pm – 1:30 pm CST
1:00 pm – 2:30 pm EST

System Requirements: To access and view this webcast, you will need a computer with internet access. Audio will be through your computer speakers. It is recommended that you check your system for compatibility and connectivity prior to the event; instructions to test your system will be sent with registration confirmation. If you have any questions about connectivity or audio, please contact edgar.salinas@uthct.edu or delphina.sanchez@uthct.edu

Continuing Education

In support of improving patient care, this activity has been planned and implemented by Rutgers Biomedical and Health Sciences, the Heartland National Tuberculosis Center, and the National Tuberculosis Controllers Association. Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Rutgers Biomedical and Health Sciences designates this live activity for a maximum of **1.5 AMA PRA Category 1 credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is awarded **1.5 contact hours** (60 minute CH). Nurses should claim only those contact hours actually spent participating in the activity.

Jointly provided by

National Tuberculosis
Controllers Association

Target Audience

This webcast is intended for nurses, physicians, TB program staff, and other healthcare professionals who are involved in TB care and prevention efforts.

Overview

The purpose of this webcast is to increase knowledge of strategies for the prevention, control, and elimination of TB with the goal of strengthening priority efforts at state and local levels. The webcast will outline the rationale for updating the previously published recommendations and provide an overview of the core functions and essential services that fall within the scope of responsibility of the TB program. The format will include didactic presentations followed by a moderated discussion.

Objectives

Upon completion of this activity, participants should be better able to:

- Explain recent updates to the [*Essential Components of a Public Health Tuberculosis Prevention, Control, and Elimination Program*](#) report
- Outline implications of the report as part of an overall framework for the core functions of TB programs

Registration

There is no charge to attend this webcast but pre-registration is mandatory.

Space is limited to **800** lines

Register online at:

<https://www.heartlandntbc.org/training.html>

Applicants will receive notification of their enrollment status via e-mail.

Deadline to register is:

February 22, 2021

Disclosures

All individuals who affect content of continuing education activities are required to disclose to the audience any real or apparent conflict of interest related to the activity. The activity faculty are further required to disclose discussion of off-label/investigational uses in their presentations. These disclosures will be made to the audience at the time of the activity.

Funding for this webinar was made possible by the Centers for Disease Control and Prevention. The views expressed in written materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services, nor does the mention of trade names, commercial practices, or organizations imply endorsement by the U.S. government.
