**System Requirements:** To access and view this training event, you will need a computer with internet access. Audio for this web based training will be through your computer's speakers. It is recommended that you check your system for compatibility and connectivity prior to the event; instructions to test your system will be sent with registration confirmation. If you have any questions about connectivity or audio please contact [edgar.salinas@uthct.edu](mailto:edgar.salinas@uthct.edu) or [delphina.sanchez@uthct.edu](mailto:delphina.sanchez@uthct.edu)

### Continuing Education

**CME:** The Centers for Disease Control and Prevention designates this live activity for a maximum of 1.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**CNE:** The Centers for Disease Control and Prevention designates this activity for 1.25 nursing contact hours.

NO commercial support was given to Heartland National TB Center  
or the University of Texas Health Science Center at Tyler for this educational program.

## Target Audience

This webcast is intended for healthcare professionals who are actively engaged in the identification, case management, and treatment of patients with latent TB infection or active TB disease.

## Conference Objectives

The objective of this webcast is to identify the characteristic imaging findings of tuberculosis in infants and children and to differentiate TB from other conditions with similar imaging findings.

## Format

The format for this course will be a web-based, lecture style presentation with case studies.

## REGISTRATION

There is no charge to attend this workshop but pre-registration is mandatory.

Space is limited to 480 lines.

Register online at:

<http://www.heartlandntbc.org/training/courses.php>

Applicants will receive notification of their enrollment status via e-mail (unless otherwise requested).

**Deadline to register is:**

**April 7, 2021**

## OUR VISION

The vision of Heartland National TB Center is to provide excellence, expertise, and innovation in training, medical consultation, and product development to reduce the impact of tuberculosis in our region.

## OUR MISSION

The mission of the Heartland National TB Center is to build capacity with our partners. We will share expertise in the treatment and prevention of tuberculosis by: developing and implementing cutting-edge trainings, delivering expert medical consultation, providing technical assistance, and designing innovative educational and consultative products.
